EMERGENCY EVACUATION BENEFIT

The Company will pay benefits for covered expenses incurred up to a maximum of **\$100,000** if any Injury or Illness commencing during the course of a Trip results in the necessary Emergency Evacuation of the Insured Person. An Emergency Evacuation must be ordered by a legally licensed Physician who certifies that the severity of the Insured Person's Injury or Illness warrants the emergency evacuation of the Insured Person.

Covered Expenses are expenses, up to the maximum, for transportation, medical services and medical supplies necessarily incurred in connection with Emergency Evacuation of the Insured Person. All transportation arrangements made for evacuating the Insured Person must be by the most direct and economical route. Expenses for medical supplies and services must be recommended by the attending Physician. Transportation means any land, water or air conveyance required to transport the Insured Person during an Emergency Evacuation. Special transportation includes, but is not limited to, air ambulances, land ambulances, and private motor vehicles.

PART 2 – SPECIAL BENEFITS

IMPORTANT NOTE ABOUT PRINCIPAL SUM: Options 2 through 6 require payment of an additional premium. In a high risk country listed in the Definition of “Designated War Risk Territory”, Options 1 through 6 require payment of an additional premium.

Principal Sum:	\$50,000	(Option 1)
Principal Sum:	\$100,000	(Option 2)
Principal Sum:	\$150,000	(Option 3)
Principal Sum:	\$200,000	(Option 4)
Principal Sum:	\$250,000	(Option 5)
Principal Sum:	\$300,000	(Option 6)

ACCIDENTAL DEATH AND DISMEMBERMENT BENEFIT

If an Insured Person's covered Injury results in any of the following losses within 365 days after the date of a covered accident, we will pay the sum shown opposite the loss.

If more than one Loss is sustained by an Insured person as a result of the same accident, only one amount, the largest, will be paid. The “Principal Sum” depends upon the Option selected (See “**Important Note About Principal Sum**”, above).

For Loss of:

Life	Principal Sum
Both hands or both feet	Principal Sum
Entire Sight of both eyes	Principal Sum
One hand and one foot	Principal Sum
Either hand or foot and sight of one eye	Principal Sum
Either hand or foot	1/2 the Principal Sum
Speech and hearing	Principal Sum
Sight of one eye	1/2 the Principal Sum
Thumb and Index Finger of Same hand	1/4 the Principal Sum
Quadriplegia	Principal Sum
Paraplegia	3/4 the Principal Sum
Hemiplegia	1/2 the Principal Sum
Uniplegia	1/4 the Principal Sum

Loss means with regard to:

- a) hands and feet, actual severance through or above wrist or ankle joints;
- b) eye, entire and irrecoverable loss of sight;
- c) hearing, total and irrecoverable loss of the entire ability to hear in that ear;
- d) speech, total and irrecoverable loss of the entire ability to speak; and
- e) thumb and index finger, complete severance through or above the metacarpophalangeal joint of both digits.

"Quadriplegia" means the complete and irreversible paralysis of both upper and both lower limbs. "Paraplegia" means the complete and irreversible paralysis of both lower limbs. "Hemiplegia" means the complete and irreversible paralysis of the upper and lower limbs of the same side of the body. "Uniplegia" means the complete and irreversible paralysis of one limb. "Limb" means entire arm or entire leg.

If the body of an Insured Person has not been found within one year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which such person was an occupant, then it shall be deemed, subject to all other terms and provisions of the Plan, that such Insured Person suffered loss of life within the meaning of the Plan.

Reduction for Age: The amount payable for a loss will be reduced if an Insured Person is age 70 or older on the date of the accident causing the loss with respect to any Benefit provided by this Plan where the amount payable for the loss is determined as a percentage of his or her Principal Sum. The amount payable for the Insured Person's loss under that Benefit is a percentage of the amount that would otherwise be payable, according to the following schedule:

AGE ON DATE OF ACCIDENT	PERCENTAGE OF AMOUNT OTHERWISE PAYABLE
70-74	65%
75-79	45%
80-84	30%
85 and older	15%

Premium for an Insured Person age 70 or older is based on 100% of the coverage that would be in effect if the Insured Person were under age 70.

"Age" as used above refers to the age of the Insured Person on the Insured Person's most recent birthday, regardless of the actual time of birth.

Beneficiary Designation and Change: The beneficiary or beneficiaries of an Insured Person shall be that person or those persons designated by the Insured Person and filed with the Company.

Any Insured Person who has not made an irrevocable designation of beneficiary may designate a new beneficiary at any time, without the consent of the beneficiary, by filing with the Company a written request for such change but such change shall become effective only upon receipt of such request at the Executive Office of the Company. When such request is received by the Company, whether the Insured Person be then living or not, the change of beneficiary shall relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment theretofore made by it.

Aggregate Limit Of Benefits: In the event more than one Insured Person sustains loss for which Accidental Death and Dismemberment benefits are payable, the maximum aggregate benefit limit payable to all such Insureds shall not exceed **\$1,500,000** as the result of any one accident. If the total of such indemnity exceeds said maximum aggregate benefit limit, the Company shall not be liable to any one such Insured Person for a greater proportion of such Insured Person's indemnity afforded by the Accidental Death and Dismemberment Indemnity than said maximum aggregate benefit limit bears to the total indemnities afforded by this Accidental Death and Dismemberment Indemnity to all such Insured Persons.

COMA BENEFIT

If Injury renders an Insured Person Comatose within 90 days of the date of the accident that caused the Injury, and if the Coma continues for a period of 30 consecutive days, the Company will pay a monthly benefit of 1% of the Principal Amount. No benefit is provided for the first 30 days of Coma. The benefit is payable monthly as long as the Insured Person remains Comatose due to that Injury, but ceases on the earliest of: (1) the date the Insured Person ceases to be Comatose due to that Injury; (2) the date the Insured Person dies; or (3) the date the total amount of monthly Coma benefits paid for all Injuries caused by the same accident equals 100% of the Principal Amount. The Company will pay benefits calculated at a rate of 1/30th of the monthly benefit for each day for which the Company is liable when the Insured Person is Comatose for less than a full month. Only one benefit is provided for any one month of Coma, regardless of the number of Injuries causing the Coma.

The Company reserves the right, at the end of the first 30 consecutive days of Coma and as often as it may reasonably require thereafter, to determine, on the basis of all the facts and circumstances, that the Insured Person is Comatose, including, but not limited to, requiring an independent medical examination provided at the expense of the Company.

Any Exclusion under this Plan for “declared or undeclared war or any act thereof” is waived for an Insured Person’s loss caused in whole or in part by, or resulting in whole or in part from, declared or undeclared war or any act of declared or undeclared war, subject to the following restriction:

The waiver only applies with respect to accidents that occur within the geographic limits or territorial waters of, or airspace above the geographic limits or territorial waters of a Designated War Risk Territory (as defined herein). War Risk Coverage ends on the earliest of: (1) the date the Policy terminates; (2) the date the Company receives written notice from the Policyholder or the Participating Organization of their intent to terminate War Risk Coverage (or on the date specified in the written notice, if later); or (3) the date specified in the Company’s written notice to the Policyholder or Participating Organization of the Company’s intent to terminate War Risk Coverage (or 10 days after the date the written notice is received by the Policyholder or Participating Organization, if later).

Termination of War Risk Coverage will not affect a claim for a covered loss that occurred while War Risk Coverage was in effect.

Changes in Terms and Conditions. The terms and conditions of War Risk Coverage, including but not limited to the definition of the Designated War Risk Territory(ies), may be changed at any time to reflect conditions that, in the opinion of the Company, constitute a change in the war risk exposure of the Participating Organization or the Insured Person.

Claim Forms: The Company, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice the claimant shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Any payment made by the Company in good faith pursuant to this provision shall fully discharge the Company to the extent of such payment.

Subject to any written direction of the Insured Person all or a portion of any indemnities provided by this policy on account of Hospital, nursing, medical or surgical service may, at the Company's option and unless the Insured Person requests otherwise in writing not later than the time for filing proof of such loss, be paid directly to the Hospital or person rendering such services, but it is not required that the service be rendered by a particular Hospital or person.

Legal Actions: No action at law or in equity shall be brought to recover on the policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this Plan. No such action shall be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Conformity with State Statutes: Any provision of the policy which, on its effective date, is in conflict with the statutes of the state in which the policy was delivered or issued for delivery is hereby amended to conform to the minimum requirements of such statutes.
