

NGO Travel Accident and War Risk Insurance Enhanced Plan

OVERVIEW

The *Enhanced Plan* offers the broadest suite of benefits among our product line of NGO Travel Accident and War Risk Insurance plans. It includes coverage for *Permanent Total Disability* and *Weekly Accident Indemnity*, along with *other important benefits as shown below*. Coverage under the *Enhanced Plan* is available 24 hours a day when you travel outside your country of residence or permanent assignment. Host country nationals are not eligible for coverage.

Because we believe that War Risk Coverage, Accidental Death & Dismemberment, Emergency Evacuation, Repatriation, and 24/7 Worldwide Assistance are minimum coverages that NGOs should have, such coverages are included in all our NGO Travel Accident & War Risk Insurance plans.
